Cobi Rehab XXL Minimaxx wheelchair

Code (s) : 9546, 9547, 9548

The Cobi Rehab XXL Minimaxx is a foldable wheelchair that is comparatively lightweight yet has a high weight capacity of 325kg to accommodate bariatric wheelchair users.
Height adjustable push handles make it easy for carers to move, and the balance point can be adjusted for greater stability. Removable arm and foot rests help make transfers into the wheelchair easier. An intuitive folding system makes this chair easy to transport and store.
Available in three seat widths: 610mm, 660mm and 710mm.

FEATURES

- Strong and durable bariatric wheelchair frame made with chromium molybdenum steel
- Comes with viscoelastic and spring base comfort cushion for pressure relief
- Long armrests help with getting in and out of the chair
- Low seat height provides easy access to the chair
- Adjustable balance point for extra stability
- Anti-tipper bars
- Swing-away and removable PU padded armrests
- Height and angle adjustable push handles make it easy to push
- Footrests can swing away and are removable. Width adjustable to 1100mm apart, they support up to 100kg each, ideal for bariatric wheelchair users
- Folds for transport and storage
- 125mm nylon with PU front castors
- 600mm solid PU rear wheels
