Strada® suitcase ramp

The Strada® suitcase ramp provides a strong and durable, yet easily transportable access option. It can fold lengthways to reduce the ramp to a portable size, so it can be carried like a suitcase using the in-built carry handle. Made of lightweight aluminium it is very easy to move from place to place as required.
The non-slip finish provides excellent traction, reducing the chance of slipping.

FEATURES

- Non-slip finish
- Made from durable, strong, lightweight aluminium
- Easily folds length-ways and can be carried like a suitcase for storage and travel
- Comes standard with a carry handle

Strada® suitcase ramp
