Cobi Rehab XXL comfort cushion

Code (s) : 9549, 9550, 9551

The Cobi Rehab XXL comfort cushion is the Co Replacement cushion for Cobi Rehab XXL wheelchair. The cushion has been developed exclusively for bariatric users who need prophylaxis that lasts over a longer period. Made of viscoelastic foam on the top and springs cut into the underbase of the foam, the cushion's patented system of springs distribute pressure to a larger surface and assure pressure relief. The cushion is 120mm high and has a two-way stretch vapour-permeable material.

FEATURES

- High user weight of 325kg
- Washable two-way stretch vapour permeable cover
- Viscoelastic top with spring cut base

Cobi Rehab XXL comfort cushion
